

Andrew Speroff

Andrew Speroff is a National and International gold medalist, spending over 5 years competing for Team USA. He competed at 10 US National Championships in pairs winning the gold medal for Intermediate Pairs in 2004, the silver medal for Novice Pairs in 2008, and the Pewter medal for Senior Pairs in 2012. Andrew went on to win multiple gold medals for Team USA at international competitions in Europe, and competed on the Grand Prix Circuit at Skate America. While competing Andrew received a Bachelors Degree in Sports Management and a personal training certification from the National Academy of Sports Medicine, with the goal of spreading his love of the sport to new up-and-coming skaters. Following Andrew's competitive career, he continued to gain experience in the sport by spending over 4 years employed by Royal Caribbean International Cruise Lines. With his Fiancé Kylie Duarte, they traveled around the world as professional skaters. They also have experience producing shows, including the Opening Ceremonies for the 2018 Adult US Nationals. Andrew and Kylie are now back and ready to share all of the knowledge and experience they have gained through their many years skating, with the skaters of the next generation!
